

'How to' statement:

Rephrase it

Get someone else to rephrase it or try using a recursive why.

Choose one

'How to' statement:

Develop it

Stimulus 1

Note:

These stimuli can be from Thoughtflip cards or any source of techniques. If you are not immediately fired by the stimuli, try just writing solutions based on them.

Stimulus 2

Note:

If you need to, use another sheet of paper to develop the solution sentences from these stimuli and then write the sentences below.

Stimulus 3

Solution sentences (these can be total nonsense as long as they are phrased like solutions):

Title

This is one of the sentences above.

What this means

Making sense of the title with full sentence, plain English descriptions

How we would do this

Who, what and how do we move this forward?

Benefits

Why should we bother? What's good about it?

Possible Pitfalls

What do we need to watch out for?
